NOTE: You are purchasing a standalone product; MyEconLab does not come packaged with this content. If you would like to purchase both the physical text and MyEconLab search for ISBN-10: 0134004655/ISBN-13: 9780134004655. That package includes ISBN-10: 0133872270/ISBN-13: 9780133872279 and ISBN-10: 0133918181/ISBN-13: 9780133918182.

For the two-semester principles of economics course.

An intuitive and grounded approach to economics

Get students to think like an Economist using the latest policy and data while incorporating global issues. ***Economics, Twelfth Edition*** builds on the foundation of the previous edition and retains a thorough and careful presentation of the principles of economics. ***Economics*** emphasizes real-world applications, the development of critical thinking skills, diagrams renowned for pedagogy and clarity, and path-breaking technology.

Each chapter begins with one of today's key issues, and additional issues appear throughout the chapter to show the real-world applications of the theory being discussed. When the chapter concludes, students "read between the lines" to think critically about a news article relating to the issue, demonstrating how thinking like an economist can bring a clearer perspective to and deeper understanding of today's events. Students will begin to think about issues the way real economists do and learn how to explore difficult policy problems to make more informed decisions in their own economic lives.

Also available with MyEconLab

MyEconLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

From reader reviews:

Scott Ridgway:

A lot of people always spent their particular free time to vacation or perhaps go to the outside with their family members or their friend. Are you aware? Many a lot of people spent many people free time just watching TV, or maybe playing video games all day long. If you would like try to find a new activity honestly, that is look different you can read a new book. It is really fun for you personally. If you enjoy the book which you read you can spent the whole day to reading a publication. The book Economics (12th Edition) it is rather good to read. There are a lot of individuals who recommended this book. These were enjoying reading this book. In case you did not have enough space to deliver this book you can buy typically the e-book. You can m0ore easily to read this book from your smart phone. The price is not too expensive but this book provides high quality.

Stacee Stern:

Reading can called brain hangout, why? Because when you find yourself reading a book specially book entitled Economics (12th Edition) your brain will drift away trough every dimension, wandering in every aspect that maybe unknown for but surely can be your mind friends. Imaging just about every word written in a book then become one contact form conclusion and explanation that will maybe you never get previous to. The Economics (12th Edition) giving you an additional experience more than blown away your thoughts but also giving you useful info for your better life in this era. So now let us demonstrate the relaxing pattern here is your body and mind will be pleased when you are finished reading it, like winning a casino game. Do you want to try this extraordinary spending spare time activity?

Deborah Rost:

Reading a book to become new life style in this season; every people loves to go through a book. When you study a book you can get a large amount of benefit. When you read books, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what forms of book that you have read. In order to get information about your research, you can read education books, but if you want to entertain yourself you can read a fiction books, such us novel, comics, as well as soon. The Economics (12th Edition) will give you new experience in reading a book.

Raymond Jackson:

That publication can make you to feel relax. This book Economics (12th Edition) was colorful and of course has pictures on there. As we know that book Economics (12th Edition) has many kinds or genre. Start from kids until young adults. For example Naruto or Investigator Conan you can read and believe that you are the character on there. Therefore , not at all of book are make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book for you and try to like reading in which.
