## **The Ladder in the Sky** John Brunner

"One of the most important science fiction authors. Brunner held a mirror up to reflect our foibles because he wanted to save us from ourselves."

--SF Site

For each generation, there is a writer meant to bend the rules of what we know. Hugo Award winner (Best Novel, *STAND ON ZANZIBAR*) and British science fiction master John Brunner remains one of the most influential and respected authors of all time, and now E-Reads is pleased to re-introduce many of his classic works. For readers familiar with his vision, it's a chance to re-examine his thoughtful worlds and words, while for new readers, Brunner's work proves itself the very definition of timeless.

In *THE LADDER IN THE SKY*, a starving youth, trapped in poverty and with no hope of escape, is taken prisoner and offered up in an actual "deal with the devil,"--servitude for a year and a day in return for helping a resistance group free their imprisoned planetary leader. When he returns to consciousness, he is told that the devil has taken up residence inside him. At first, he thinks nothing is changed and he can take advantage of the situation but some upsetting surprises are in store for him. With an SF setting and a fantasy premise, this is one of Brunner's best hybrids of action, magic, technology and suspense.
