**The Subject Bibliography of the Social Sciences and Humanities: International Series of Monographs in Library and Information Science (Library & Information Science Monograph)** Barbara M. Hale  
International Series of Monographs in Library and Information Science, Volume 12: The Subject Bibliography of the Social Sciences and Humanities focuses on subject bibliographies of the humanities and social sciences.

The manuscript first outlines the development of subject bibliography in the 16th up to 20th centuries, including developments in subject bibliography of social sciences and humanities and theory of bibliography. The book then discusses subject bibliography and flow of information. Topics include information storage and retrieval, scholarly communications, and other library tools.

The text surveys the alphabetical and chronological arrangements of subject bibliographies, including the arrangement of selected bibliographies. Current and retrospective unannotated bibliographies and indexes; current and retrospective bibliographical reviews; and grading and abstracts are underscored.

The book is a vital reference for readers wanting to explore humanities and social sciences.
