Caroline McLeod doesn't expect she'll ever see Jason Baker again, but when he catches her taking an extended lunch break, he's not only noticed her, but he isn't happy. Will Caroline be able to convince him to do something other than fire her?

Warning: this 300 word story contains sizzling spanking, explicit sex and one of the best orgasms ever written!

~~ Excerpt below for 18+ readers ONLY!! ~~

He got up, and smiled. "I know I shouldn't do this, but I find myself unable to control my urges around you, Caroline. You're so damn sexy." He moved over to her and ran his hands down to her waist. "Your curves are so pure, so beautiful." Caroline was surprised. "But Mr. Baker, you're always with super skinny girls when I see you in the papers."

Jason Baker laughed gently. "Yes, society tells me it's more acceptable, and I think "why not" until I find the right woman? But really, I love curves on a woman. So full, so real. Now, I will fuck you, but first I am going to punish you for what you've done. Understood?"

Just the words from his mouth made the juices begin to flow in Caroline's pussy. Her sexy panties were hot and moist as Caroline's body waited for the pleasure she knew now was coming. "Yes, Mr. Baker" she replied.

"Now Caroline, I want you to strip for me."

Caroline was stunned at this request. "What? Here?"

"Yes. Don't question my orders again. Strip for me, now."

His voice had taken on a harder tone, and Caroline knew he was serious. She felt so exposed in the open space, in the bright daylight. She was comfortable with her body, but Caroline wasn't sure if she wanted to be so exposed like this.

Regardless, she slipped off her blazer and let it fall to the floor. Next she fumbled with the buttons of her blouse, eventually getting them all off, and letting her blouse slip over her shoulders and onto the floor, her black and red lace bra still holding back her ample breasts that were just begging for release.
