Wealthy business tycoon Blake Putnam isn't looking for love, he just needs a date for a family wedding he's dreading. He has everything planned to perfection.

Samantha Jones agrees to spend the weekend with the hot boss. She's attracted to him, but she's sworn off men after her embarrassing recent break up. She's determined to ignore the attraction and focus on business when he hands her an opportunity to be part of the biggest business pitch in Blake Genetics' history. It could change everything. She's not looking for love, she won't jump off that cliff again. But she will take the chance to further her career.

What neither of them expected was the weekend to take flight. Is this a risk they're willing to see through to the end?
