**Edén: ¿Hasta dónde llegarías para cambiar el mundo? (Spanish Edition)** Andrés Pascual

**De la enigmática Amazonía a las modernas urbes brasileñas, Andrés Pascual nos adentra en un laberinto de intrigas.**

A Mika no le sonríe la suerte últimamente. En paro y sin perspectivas de futuro en España, decide abandonarlo todo y buscar trabajo en Brasil, el floreciente país de las nuevas oportunidades.

Poco después de aterrizar en São Paulo, un repentino apagón deja a oscuras a sus veinte millones de habitantes. Al instante, siete potentes focos que forman una estrella sobre la azotea de un rascacielos iluminan las favelas del extrarradio. Entre tanto, las redes sociales se inundan con la fotografía de un cadáver sin identificar y el texto: «#DíaPrimero».

Éste es solo el principio de una cadena de increíbles acontecimientos que convertirán a Mika en la pieza fundamental de una trama, de inabarcables proporciones, diseñada para terminar con la civilización actual, carcomida por las desigualdades, la aniquilación de los recursos naturales y la corrupción política y empresarial. Mientras los asesinatos se suceden, Mika se enfrentará al conflicto que planea sobre toda revolución: ¿hasta dónde estarías dispuesto a llegar para cambiar el mundo?

## **La crítica ha dicho...**

«*Edén*, un *thriller* lleno de acción pero que también contiene elementos que invitan a la reflexión sobre a dónde está llegando el hombre moderno.»

*ABC*
