Imagine John Lennon

Imagine John Lennon comes from a treasure trove: the legendary musician's own collection of more than 240 hours of film and videotape, much of it never seen by the public. With cooperation from Yoko Ono in its creation, producers David L. Wolper and Andrew Solt (partners on *This Is Elvis*) transform the archival footage - and a monumental 36-tune soundtrack - into a spellbinding account of a complex, fascinating man. Lennon's own voice narrates "a classic film biography" (Roy Leonard, WGN-TV/Chicago).
