Jennie (Spanish Edition) Douglas Preston

El doctor Hugo Archibald, del Museo de Historia Natural de Boston, encuentra una chimpancé huérfana durante un viaje de investigación a África. Decide llevársela consigo con el objetivo de llevar a cabo un experimento científico único: criarla junto a sus hijos. Jennie cautiva a todos los que la conocen. Se ve a sí misma como un ser humano y se comporta como haría cualquier otra niña, monta en triciclo, se pelea con sus hermanos por el mando de la tele y aprende el lenguaje de signos para comunicarse. Pero cuando alcanza la madurez sexual, su vida y la de quienes la rodean cambiará radicalmente. Su lucha por la libertad abrirá grandes interrogantes... Y es que la ciencia no siempre escoge las soluciones más éticas.

Jennie es una novela original, a la vez cálida y tenebrosa, que transmite una mirada muy cercana a una especie que comparte el 98 por ciento de nuestro ADN y que nos lleva a reflexionar sobre la evolución, la sociedad, el amor, el sufrimiento o la humanidad.
