Mauser Military Rifles (Weapon) Neil Grant

This volume offers an insight into the iconic Mauser family of German bolt-action rifles. Drawing on first-hand accounts of the weapons in combat and primary sources regarding their mechanical performance, this fully illustrated study charts the Mauser's origins, combat record and lasting influence. It explores the full range of Mauser rifles, beginning with the hugely successful Gew 98, which entered service in the time of the Kaiser, provided the basis for the US Springfield M1903 and equipped combatants such as the South African Boers. It also investigates the Kar 98k, which was still in front-line use with Wehrmacht troops in 1945, saw use with Mexican and Yugoslavian forces, and even played a role in the 1990s Balkan conflicts in the hands of snipers. Featuring expert analysis, specially commissioned artwork and gripping first-hand accounts, this volume is ideal for anyone seeking an understanding of these sturdy and accurate rifles' unique place in the history of small-unit tactics in the 20th century.

From reader reviews:

Phyllis Branson:

Playing with family within a park, coming to see the sea world or hanging out with pals is thing that usually you have done when you have spare time, in that case why you don't try factor that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Mauser Military Rifles (Weapon), you could enjoy both. It is good combination right, you still would like to miss it? What kind of hang-out type is it? Oh occur its mind hangout guys. What? Still don't understand it, oh come on its referred to as reading friends.

Sharon Hollars:

Many people spending their period by playing outside together with friends, fun activity together with family or just watching TV all day long. You can have new activity to shell out your whole day by reading a book. Ugh, do you consider reading a book can actually hard because you have to bring the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Mobile phone. Like Mauser Military Rifles (Weapon) which is getting the e-book version. So , why not try out this book? Let's view.

Patricia Welling:

Is it a person who having spare time after that spend it whole day simply by watching television programs or just laying on the bed? Do you need something new? This Mauser Military Rifles (Weapon) can be the response, oh how comes? A fresh book you know. You are therefore out of date, spending your spare time by reading in this brand-new era is common not a geek activity. So what these guides have than the others?

Wilda Alexander:

In this particular era which is the greater man or who has ability to do something more are more important than other. Do you want to become one of it? It is just simple strategy to have that. What you need to do is just spending your time not much but quite enough to possess a look at some books. One of several books in the top list in your reading list is Mauser Military Rifles (Weapon). This book which can be qualified as The Hungry Slopes can get you closer in turning out to be precious person. By looking upwards and review this book you can get many advantages.
