Derek Titan is a cutthroat business man that reached his way to the top without looking back once. He left his poor roots behind, and now is seeking revenge for the girl that not only got away, but took the last of his trust with her. Jasmine Freeman had loved Derek with a teenager's naiveté and because her father lied to her, she spent ten years thinking he had left her, and she has a secret that he is about to find out. When Derek takes over Jasmine's father's company, they will be together for the first time in ten years and their passion will rekindle. Derek is determined to have Jasmine, and she is determined to fight him, but in the end there is not much that can extinguish the blaze of passion between them. Take the journey with Derek and Jasmine, and Derek's cousins who bring humor, love, and character to the story. You will fall in love with Derek and then want to read about his cousin's Drew and Ryan.
