The Zoo Box Ariel Cohn

When Erika and Patrick's parents leave them home alone for the night, they head straight to the attic to explore. When they open a mysterious box, hundreds of animals come pouring out! Soon the town is awash in more and more zoo animals, until Erika and Patrick discover that the tables have been turned... and the animals now run a zoo full of humans!

With simple text and bright, graphic art, Ariel Cohn and Aron Neils Steinke have created a gentle, fantastical adventure for the very youngest of readers. *The Zoo Box* will be a terrific introduction to comics for both learning readers and their parents.
