## **Violencia, proscripción y autoritarismo 1955-1976: Nueva Historia Argentina Tomo IX (Spanish Edition) Daniel James**

Este volumen de la Nueva Historia Argentina comprende el proceso histórico que se desarrolla entre la caída del gobierno de Juan Domingo Perón en 1955 y el golpe militar de 1976. En el libro proporciona al lector un conocimiento general y, a la vez, profundo de un periodo rico y complejo cruzado por diversos problemas que se intervincularon permanentemente. En el nivel económico, fue característica la búsqueda de un nuevo modelo de desarrollo que intento superar los limites del modelo populista. En el plano político, la meta principal fue la instauración de un régimen democrático que se baso hasta 1973 en la exclusión y la marginación del peronismo. En lo social, el periodo resalto por la presencia de varios elementos, como el aumento de la población de las grandes ciudades, particularmente Buenos Aires, a consecuencia de las migraciones internas y de los países limítrofes, y el incremento de la conflictividad social tanto en la zona litoral como en distintas provincias del interior del país. En el plano cultural, el dato mas relevante fue la emergencia de una cultura juvenil que mas allá de la formación de nuevos gustos en la moda, la música y el cine estuvo marcada por una fuerte impronta de rebelión.

Sin duda, los lectores encontraran en este libro una nueva visión del pasado en las recientes investigaciones referidas al sistema político, a la formación de la burocracia sindical, a la protesta social y política, a los proyectos de desarrollo regional, a la modernización cultural y política, a los proyectos de desarrollo regional, a la modernización cultural y a los contrastes de los procesos de urbanización.
