Dying Out Loud: No Guilt in Life, No Fear in Death Shawn Smucker

Dying Out Loud is the story of Stan, his wife, Ann, their children Elle and Stanley, and their dedication to following God no matter what the cost. They traded the comforts of suburban southern California for the crowded cobblestone streets of the Middle East. They explored remote areas and they befriended nomadic tribes people, courageously bringing a message of hope and freedom to those needing to hear it. But none of those adventures would compare to where God led them next: a journey of visions, revelations, and sorrow. A journey into stage-four cancer, and a journey that beckoned them to walk the shrouded path through the Valley of the Shadow of Death. Yet even there they discovered peace, grace, and a new hope for the lost around them.
