Shamed investigative journalist turned tabloid scribe Maggie O'Connell convinces her editor to let her go to Minnesota to research alleged werewolf sightings. Her first night in the woods, she gets trapped in an ancient sleeping bag, unintentionally attracts the attention of a bear, and is saved by the most unlikely of heroes: the very wolf she had come to investigate!

When she meets horse rancher Aidan Gael in the town market days later, she recognizes his eyes as those belonging to her champion. He dodges her every attempt to get to know him but undaunted Maggie launches a campaign to win over the recalcitrant Aidan.

Aidan tries desperately to avoid her; he both fears Maggie and fears for her. Neither man nor beast can resist her curious mind and courageous heart. One kiss threatens to break Aidan's tenuous self-control but furthers Maggie's resolve. But danger lurks at every turn. The curse Aidan fights to keep secret is only one of the obstacles that will test the strength of their bond. Together they will navigate the violence of both nature and of man in pursuit of their destiny.

This is a new release of a previously published edition.
