**Granny @ Work: Aging and New Technology on the Job in America** Karen E. Riggs

*Granny @ Work* is an impassioned comment on aging, work, and technology in American culture. As Riggs challenges popular assumptions with surprising research—for example, people over the age of 60 spend more time on the Internet than people of any other age group—and trenchant cultural critique, she forces us to confront the deeply entrenched ageism in today's technology-driven workplace.
