No Love Allowed Kate Evangelista

It's all fun and parties until someone falls in love in this modern fairy tale from author Kate Evangelista.

Caleb desperately needs a new fake girlfriend. Either he attends a series of parties for his father's law firm with a pretty girl on his arm, or he gets shipped off to Yale to start a future he's not ready for and isn't sure he wants. And sadly the last unattached girl in his social circle has just made the grievous mistake of falling in love with him. Fortunately, Didi, the waitress at the Country Club who just lost her job, is open to new experiences (also, art supplies are expensive!). It's the perfect setup for them both. Caleb has only one rule for the arrangement: Didi must *not* fall in love with him.

The summer nights tick by in a whirl of lavish parties, and Didi is enjoying her foray into high society. But Caleb soon starts to worry that this time he's the one in danger of falling in love...

Praise for *No Love Allowed* by Kate Evangelista:

"The romance was incredible. There was also a great set of secondary characters. Nathan was my favorite. And I'm so thrilled that he's going to get his own story too. I can't wait for it. The perfect YA contemporary romance for me. It had humor, romance, awesome characters, and great writing. Pretty much everything I want in a book." —Stephanie, Bookfever

"I read this book three times in succession . . . it's a read that leaves you with that silver lining of optimism and hope that everyone who wants love, can and will find it if they just give love a chance." —Noey Pico, whatsageek.com
