Gods at war... Old prophesies revealed... One hope for the world...

Following the cataclysmic Darklands War, the world of Arioc teeters on the edge of destruction. The bitter feud between the two Gods - - Zythra and Bazulbax - - continues to escalate. As mortal kind faces extinction, one last great hope remains for peace. The ancient prophesies of the Querenthians, a race of beings long believed extinct, foretell the coming of a great warrior whose destiny is to end the War of the Gods forever.

Michael Tearzayne, a young orphan, is taken in and trained by the legendary Knights of the Gray Moon, servants of the god Zythra. Only as time passes, and as the young knight faces betrayal in the City of Solatil, do hints to his true identity and his ultimate purpose begin to surface.

Meanwhile, a dire servant of Bazulbax, Strenth Pyrbearer, learns of Michael Tearzayne's existence. Fearful of the Querenthian prophesy and pledged to the goddess by promises of ultimate and absolute power, Pyrbearer is soon on the trail of the young knight, intent on his murder.

Michael Tearzayne might be the world's greatest hope to end the War of the Gods, but before he can do that, he'll have to find the strength in himself to survive the coming days, avoid the snares of evil, and face his own DAWN OF DESTINY.

From reader reviews:

Dollie Simmons:

What do you think about book? It is just for students since they're still students or the item for all people in the world, what the best subject for that? Merely you can be answered for that query above. Every person has various personality and hobby per other. Don't to be forced someone or something that they don't would like do that. You must know how great as well as important the book Revenant. All type of book are you able to see on many sources. You can look for the internet resources or other social media.

Chris Holmes:

As people who live in typically the modest era should be up-date about what going on or details even knowledge to make these individuals keep up with the era which can be always change and move ahead. Some of you maybe will probably update themselves by examining books. It is a good choice for yourself but the problems coming to anyone is you don't know what kind you should start with. This Revenant is our recommendation to make you keep up with the world. Why, because book serves what you want and want in this era.

Jerry Schooler:

You will get this Revenant by go to the bookstore or Mall. Merely viewing or reviewing it could to be your solve challenge if you get difficulties for ones knowledge. Kinds of this e-book are various. Not only by means of written or printed but additionally can you enjoy this book simply by e-book. In the modern era like now, you just looking of your mobile phone and searching what their problem. Right now, choose your personal ways to get more information about your publication. It is most important to arrange you to ultimately make your knowledge are still revise. Let's try to choose correct ways for you.

Helen McClain:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Revenant can make you sense more interested to read.
