[Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, werewolves, HEA] Enda McCaffry has seen and done many things in over two hundred years. He's been exiled, hunted, and recruited as a pirate. He's developed a multimillion-pound gold bullion and stone dealership and is now Alpha of a very unusual pack. But one thing eludes him, the one thing he is desperate to find—his spirit walker. Daniel King has finally escaped from under his father's dominant, dismissive thumb. It was supposed to be a new start, but something very strange is going on. Iron gates open without any help. Everyone talks about walking ghosts. There are some very strange scents in the air, and as for his body, it doesn't feel like his own anymore. Now Enda has found him, he knows he can never let Daniel go, but getting him to accept this new world and his place beside him is going to be damn near impossible. ** A Siren Erotic Romance
