The Irrational Atheist: Dissecting the Unholy Trinity of Dawkins, Harris, And Hitchens Vox Day

In *The Irrational Atheist* Vox Day, writer, columnist and software designer, challenges three authors, Sam Harris, Richard Dawkins and Christopher Hitchens, on their own ground—reason itself. Day argues persuasively that Dawkins, Harris and Hitchens employ false assertions and faulty reasoning throughout their works. From the assertion that religion drives wars to the analysis showing blue states are more moral than red states, Day, in this rigorously documented work, dissects the false conclusions and shows exactly why they are wrong. *The Irrational Atheist* does not argue from a religious or Biblical perspective—its arguments are purely based on hard factual data and careful reasoning.
