The Christian life isn't always a walk in the park. Children of Christian parents do die. Christian businessmen do lose their jobs. And husbands of Christian wives do cheat. Being a Christian doesn't protect you from the tough punches life throws.

Taking fourteen strategies from the biblical account of the Israelite journey, *Walking with God on the Road You Never Wanted to Travel* offers real hope to those on an unexpected, difficult journey. For forty years the Israelites wandered through a devastating wilderness, suffering many losses, and yet learning some timeless lessons. These lessons, presented here as strategies for modern believers, are simply stated, clearly explained, and beautifully illustrated with dramatic and inspiring stories.
