God and Rhetoric of Sexuality (Overtures to Biblical Theology)

Phyllis Tribble

God and Rhetoric of Sexuality (Overtures to Biblical Theology) Phyllis Tribble

Focusing on texts in the Hebrew Bible, and using feminist hermeneutics, Phyllis Tribble brings out what she considers to be neglected themes and counter literature. After outlining her method in more detail, she begins by highlighting the feminist imagery used for God; then she moves on to traditions embodying male and female within the context of the goodness of creation. If Genesis 2-3 is a love story gone awry, the Song of Songs is about sexuality redeemed in joy. In between lies the book of Ruth, with its picture of the struggles of everyday life.
