The Downhill Lie

Carl Hiaasen

The Downhill Lie Carl Hiaasen

Originally drawn to the game by his father, Carl Hiaasen wisely quit golfing in 1973. But some ambitions refuse to die, and as the years—and memories of shanked 7-irons faded, it dawned on Carl that there might be one thing in life he could do better in middle age than he could as a youth. So gradually he ventured back to the dreaded driving range, this time as the father of a five-year-old son—and also as a grandfather.

“What possesses a man to return in midlife to a game at which he’d never excelled in his prime, and which in fact had dealt him mostly failure, angst and exasperation? Here’s why I did it: I’m one sick bastard.” And thus we have Carl’s foray into a world of baffling titanium technology, high-priced golf gurus, bizarre infomercial gimmicks and the mind-bending phenomenon of Tiger Woods; a maddening universe of hooks and slices where Carl ultimately—and foolishly—agrees to compete in a country-club tournament against players who can actually hit the ball. “That’s the secret of the sport’s infernal seduction,” he writes. “It surrenders just enough good shots to let you talk yourself out of quitting.”

Hiaasen’s chronicle of his shaky return to this bedeviling pastime and the ensuing demolition of his self-esteem—culminating with the savage 45-hole tournament—will have you rolling with laughter. Yet the bittersweet memories of playing with his own father and the glow he feels when watching his own young son belt the ball down the fairway will also touch your heart. Forget Tiger, Phil and Ernie. If you want to understand the true lure of golf, turn to Carl Hiaasen, who offers an extraordinary audiobook for the ordinary hacker.

BONUS: This edition includes an excerpt from Carl Hiaasen's *Bad Monkey*.

From reader reviews:

Judith Jordan:

Why don't make it to become your habit? Right now, try to ready your time to do the important work, like looking for your favorite reserve and reading a book. Beside you can solve your problem; you can add your knowledge by the reserve entitled The Downhill Lie. Try to stumble through book The Downhill Lie as your buddy. It means that it can to be your friend when you experience alone and beside that of course make you smarter than ever. Yeah, it is very fortunated for yourself. The book makes you far more confidence because you can know almost everything by the book. So , let's make new experience and knowledge with this book.

Maria Gardner:

As people who live in the actual modest era should be up-date about what going on or details even knowledge to make these keep up with the era that is always change and move ahead. Some of you maybe can update themselves by reading through books. It is a good choice for you personally but the problems coming to a person is you don't know what one you should start with. This The Downhill Lie is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

Ryan Strausbaugh:

Reading a reserve tends to be new life style in this era globalization. With studying you can get a lot of information that may give you benefit in your life. Along with book everyone in this world can easily share their idea. Books can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or maybe their experience. Not only the storyline that share in the publications. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on this planet always try to improve their expertise in writing, they also doing some analysis before they write to their book. One of them is this The Downhill Lie.

Clarence Williams:

Playing with family in the park, coming to see the ocean world or hanging out with friends is thing that usually you will have done when you have spare time, and then why you don't try issue that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love The Downhill Lie, you may enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang type is it? Oh can occur its mind hangout men. What? Still don't obtain it, oh come on its identified as reading friends.
