True Christianity, vol. 2: The Portable New Century Edition (NW CENTURY EDITION) EMANUEL SWEDENBORG

In the final years of his life, Emanuel Swedenborg wrote *True Christianity*, an opus that served both to contextualize his theology within contemporary Christianity and to serve as a road map for the new spiritual age that would follow. This second volume covers topics such as freedom of choice, repentance, the transformation of a person's inner being during spiritual awakening, the rites of baptism and the Holy Supper (communion), and the second coming of the Lord.

This new translation is part of the New Century Edition of the Works of Emanuel Swedenborg, an ongoing project to render Swedenborg's theological works in clear, contemporary language that reflects the simple and engaging style of the original Latin. The portable edition contains the text of the New Century Edition translation, but not the annotations or other supplementary materials found in the deluxe edition.
