Acts: An Exegetical Commentary : Volume 3: 15:1-23:35 Craig S. Keener

In the third volume of this four-volume commentary, Craig Keener continues his detailed exegesis of Acts, offering a wealth of fresh insights. The first three volumes cite more than 45,000 extrabiblical ancient references.

"Keener's incredibly detailed megacommentary on Acts is a scholarly achievement that is unlikely to be surpassed in the foreseeable future. The author has an enviable mastery over an amazing number of primary and secondary sources, evident on nearly every page in footnotes providing both documentation and stimulating discussions. He provides in-depth discussions of various critical approaches to the major interpretive issues in Acts, revealing the strengths and weaknesses of each position while carefully arguing his own position. The commentary also includes a rich variety of informative excursions that provide detailed analysis of a wide variety of important side issues and topics. Every serious student of Acts owes it to herself or himself to carefully work through this significant contribution to scholarship."

--**David E. Aune**, University of Notre Dame

"Keener's scholarship and personal experience give a distinctive cross-cultural perspective to his commentary. His excursions are treasure troves of cultural information on topics such as ancient anti-Judaism; dreams; patrons, clients, and reciprocity; and suicide. This detailed commentary will deservedly be a major resource on Acts in many libraries--personal and public--for years to come."

--**John J. Pilch**, Johns Hopkins University

"As in the previous volumes, the author proffers a very detailed and nuanced analysis of the text's exegetical problems while also paying close attention to the Greco-Roman environment that shaped Luke's narrative. Scholars of the New Testament, theologians, and classicists, but also laypersons, will want to consult and will benefit from Keener's erudite, impressive work."

--**Andreas Bendlin**, Department of Classics, University of Toronto

"Keener's massive commentary on the book of Acts is a gold mine of valuable information. His socio-historical reading of the text demonstrates the crucial importance of interpreting Acts in the context of Greek and Roman historiography. In addition, the vast amount of references to ancient sources and literature will be helpful for anyone interested in doing serious research on Acts."

--**Samuel Byrskog**, Centre for Theology and Religious Studies, Lund University
