Baltimore Trails: A Guide for Hikers and Mountain Bikers Bryan MacKay

Baltimore Trails is a comprehensive and detailed guide to trails on public lands in and around Baltimore. Discover Hemlock Gorge, a small slice of Appalachia transported into northern Baltimore County, with its timeless peace and ancient gnarled hemlocks; or Black Marsh, where birds skulk among the vegetation of pristine freshwater wetlands; or the unique landscape of Soldiers Delight Natural Environment Area, which shelters more than 38 rare plant species. *Baltimore Trails* answers the needs of hikers and mountain bikers, offering accurate maps, up-to-date access information, and reliable trail descriptions.

Bryan MacKay, a lifelong Baltimore resident and avid naturalist, walked, cycled, and explored nearly 80 trails in local state, county, and city parks, as well as area watersheds. He provides a detailed description, topographic map, and the length, location, and degree of difficulty for each trail. Some trails offer an easy afternoon stroll, while others provide a day of rugged hiking or biking. Thumbnail essays offer scenic highlights and discuss typical plants, animals, and local ecology.

Every trail was field-checked in 2007 for the second edition. Miles of new trails are included, as is updated information on recent trail reroutes.
