## **Beethoven's Piano Playing: With an Essay on the Execution of the Trill (Dover Books on Music and Music History) Franz Kullak**

Originally written as an introduction to a critical edition of Beethoven's piano concertos, this informative performance guide is the work of an accomplished pianist, composer, and conductor. Franz Kullak presents more than 100 annotated and analyzed musical examples along with biographical information about the composer and general rules for the performance of the concertos. In addition, a separate essay offers pointers on the proper execution of the trill.

Suitable for intermediate- and advanced-level pianists, this volume is newly edited and supplemented with additional examples by celebrated concert pianist and composer Anton Kuerti, who provides an informative Introduction with musical examples.
