**Christ Our Companion: Toward a Theological Aesthetics of Liberation** Roberto S. Goizueta

How the lives of the companions of Jesus become the canvas upon which God paints a picture of liberation. Goizueta unites this book around the disjuncture between the Christian claim that Christ's life, death, and resurrection are the key to universal human meaning and our increased consciousness of the diverse, pluralistic world in which we live. How can a Christian proclaim his message when the rationales for so much of the violence we see around us are grounded in religious principles. The credibility of Christ's claims rests on the evidence presented by those persons who have lived out those claims.
