JUSTLY WADING John Loveday

"You kick them dusty boots off, boy, an' you can lie with women." In a coming-of-age summer on a small wagon train to Oregon, lone Scrag finds several kinds of love. Lorelei is a young, independent woman, Justly, her blossoming daughter. Sylvester is a poet and pioneer photographer, deeply influenced by the recently self-published Walt Whitman. He shows his companions a world of images, in which they see their own realities. Daniel is an old man who has been to the West many years earlier, and shares that secret only with Scrag.

Among the company, are Axel, a blundering captain of the wagoneers, who leads them into unmapped terrain, and Thou-Wert, a wayward preacher.

"These are your halcyon days," Sylvester tells Scrag, but the boy is aware that in such a notion there is also a notion of their ending.

JUSTLY WADING is the Kindle version of a prizewinning novel originally published in the UK as HALO, and still available in the US under that title from Houghton Mifflin Harcourt (Mariner Books).

Winner of the McKitterick Prize and the David Higham Award for Fiction. Runner-up in the Commonwealth Writers' Prize (Eurasian category). (Listed by the ALA in "Some Recommended Western Fiction" ((twenty titles drawn from the whole era of the genre). Awarded a New York Public Library citation as a Best Book for the Teen Age.
