Resilient: Live Beyond a Feel-Good Faith and Build a Spiritual Foundation that Lasts Ron Luce **If your foundation is faulty, how will you stand?**

We live in a “feel-good” culture. Somehow in a world where emotions were meant to enhance our lives we’ve allowed them to dominate. What’s more, we’re told that if we don’t follow our feelings we’re not being authentic. It is no wonder that this attitude follows us into our churches. As a result, when problems arise or good things don’t happen as we expect, we question our faith, wondering why God doesn’t care.

Resilient explores the watered-down, feel-good ways the Christian faith is often presented that result in a shaky foundation. Sharing the real-life struggle he experienced when his oldest daughter, Hannah, almost died during a plane crash that claimed the lives of four of her friends, Ron Luce shows you how to:

- Train yourself for endurance rather than just strength
- Build your confidence in God when you don’t understand
- Develop a resilient faith that will get you through the good and the bad
