The African Grey: An Owner's Guide to a Happy Healthy Pet Julie Rach

This is our seventh set of Happy, Healthy Pet titles. These are books pet owners can turn to for the essential information they need to raise a healthy pet. All books contain information on:

- feeding
- housing
- grooming
- health care
- what to expect from the pet
- basic training

As our series expands and focuses on different kinds of pets, the emphasis remains on making the pet a companion. In addition, owners of more unusual pets will particularly appreciate the expert advice in these books because professional care for their animals may be difficult to come by. As always, the instruction is from experts—people who know their pet intimately, but also remember what it was like to have one for the first time. Happy, Healthy Pet guides are rich with professional quality color photos and are designed to be enjoyable and easy to learn from.
