A Pack of Two

Jacky Russell

A Pack of Two Jacky Russell

A witch and a werewolf. A pack of two.

Master Sergeant Breanna Welker loves hockey games, cheesy fries, and being second in command of the U.S. Army's Bravo Company. The fact that her commanding officer is a vampire and most of her fellow soldiers are werewolves doesn't slow her down a bit. Her colorful vocabulary and uncompromising loyalty have endeared her to her unit, who don't give a damn she's a shape-shifting witch.

Lucas Benelli can't boast the same loyalty from the people close to him. His father is the Alpha of the largest known werewolf pack in the world—a pack Lucas is expected to be the leader of. But Lucas has spent most of his life avoiding contact with his father's pack and they don't seem to like him much either.

Together, they forge a connection not even Lucas's dysfunctional pack or Breanna's meddling unit can break—and come face-to-face with the hardest choice either of them has ever had to make.

CONTENT WARNING: Includes a horde of evil witches, and one deliciously wicked witch with Mother Nature at her beck and call.

95,000 Words
