For the first time, we've brought together three eBooks on the Standard Works from well-loved author Brent L. Top. *A Peculiar Treasure* makes the Old Testament new again with by transforming the archaic laws and obscure history into an exciting, faith-affirming witness of Christ that speaks to our contemporary challenges and concerns. *Living Waters* applies the same insightful and conversational style to the words of the New Testament showing that the Savior's life and teachings are an ever-flowing spring of water to give life, to heal, and to help the spiritually parched find true and lasting refreshment. *As One Crying from the Dust* focuses on the timeless themes from the Book of Mormon that are naturally interlaced with pure doctrine, powerful testimony, and personal application.

"It is a new adventure for me each time I read and study. I rediscover relevant messages for my life, profound doctrines that enlighten my mind anew, and I experience again the thrill of the power of the word. It need never grow old to us. It must never become irrelevant to us. It must always be studied, pondered, and applied." – Brent L. Top
