**Fundamentals of Investment Management, 10th edition (McGraw-Hill/Irwin Series in Finance, Insurance and Real Esta)** Stanley Block, Geoffrey Hirt

Presenting applied theory alongside real-world examples, *Fundamentals of Investment Management* provides a survey of the important areas of investments: valuation, the marketplace, fixed income instruments and markets, equity instruments and markets, derivative instruments, and a cross-section of special topics, such as international markets and mutual funds. The text is user-friendly, but makes no concessions to the importance of covering the latest and most important material for the student of investments.
