16-year-old Digger thrives as a spy and sneak-thief among the feuding religious factions of Gerse. But when a routine job goes horribly wrong and her partner and lover Tegen is killed, she disguises herself in a group of young nobles and sneaks out of the city. Accepted as a lady-in-waiting at the stronghold of the powerful Nemair, she finds new peace and friendship (and some new targets). But when an old client from the city comes to the castle, she realizes her hosts may be planning the ultimate uprising against the king - and rather than true peace, she may be at the heart of the rebellion.

Now with an extensive excerpt of the daring sequel, LIAR'S MOON!

Brian Rocha:

Is it you actually who having spare time and then spend it whole day simply by watching television programs or just lying on the bed? Do you need something new? This StarCrossed can be the answer, oh how comes? A fresh book you know. You are thus out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these guides have than the others?

Greg Christenson:

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this StarCrossed can make you truly feel more interested to read.
