Originally published as part of the Campus Cravings bundle, Winning Bracket is now available on its own with a BRAND NEW bonus epilogue/short story!

A sexy bet on a basketball tournament challenges nerdalicious Edwin and party-boy Ollie to change their relationship status from frenemies to lovers.

Oliver Marshall has been a sexy pain in Edwin Schultz's side since freshman year. Now seniors and competing dorm resident advisors, the two are in constant strife over noise levels and study hours. However, deep down, Edwin's been nursing a painful crush on Ollie for years. When Ollie proposes a bet on a basketball tournament, Edwin seizes the chance to put his inconvenient feelings for Ollie behind him once and for all.

Edwin's not the only one suffering a case of unwanted attraction—Ollie's been running from his feelings for Edwin for a long time. He doesn't understand how someone who drives Ollie so crazy with his adherence to rules can be the same guy who makes his pulse pound. In fact, Ollie's never been so eager to lose a bet in his life.

As the challenge becomes a hot bedroom battle to avoid real emotions, the two "frenemies" must change their definitions of losing to win a shot at lasting love.

BONUS Epilogue/Short Story, Winning Wedding: When a lost receipt threatens their special day, Ollie and Edwin must wager on finding a solution before time runs out.
