Your Moon, My Moon: A Grandmother's Words to a Faraway Child Patricia MacLachlan

For many children who live far away from their grandparents, it can be hard to understand why they can't always be together. Patricia MacLachlan has created a bridge to close the distance by finding connections in memories and the moon they share.

A beautiful, lyrical poem coupled with Bryan Collier's rich collages, *Here and There* celebrates the importance of staying close to your family, even across thousands of miles.
