## **Authenticity: What Consumers Really Want** James H. Gilmore, B. Joseph Pine II

Contrived. Disingenuous. Phony. Inauthentic. Do your customers use any of these words to describe what you sell—or how you sell it? If so, welcome to the club. Inundated by fakes and sophisticated counterfeits, people increasingly see the world in terms of real or fake. They would rather buy something real from someone genuine rather than something fake from some phony. When deciding to buy, consumers judge an offering's (and a company's) authenticity as much as—if not more than—price, quality, and availability. In *Authenticity*, James H. Gilmore and B. Joseph Pine II argue that to trounce rivals companies must grasp, manage, and excel at rendering authenticity. Through examples from a wide array of industries as well as government, nonprofit, education, and religious sectors, the authors show how to manage customers' perception of authenticity by: recognizing how businesses "fake it;" appealing to the five different genres of authenticity; charting how to be "true to self" and what you say you are; and crafting and implementing business strategies for rendering authenticity. The first to explore what authenticity really means for businesses and how companies can approach it both thoughtfully and thoroughly, this book is a must-read for any organization seeking to fulfill consumers' intensifying demand for the real deal.

### **From reader reviews:**

#### **Barbara Barnes:**

What do you regarding book? It is not important along with you? Or just adding material when you really need something to explain what your own problem? How about your spare time? Or are you busy person? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? All people has many questions above. They should answer that question because just their can do this. It said that about guide. Book is familiar in each person. Yes, it is appropriate. Because start from on kindergarten until university need this particular Authenticity: What Consumers Really Want to read.

#### **Jill Vaughn:**

Playing with family inside a park, coming to see the coastal world or hanging out with close friends is thing that usually you may have done when you have spare time, in that case why you don't try matter that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Authenticity: What Consumers Really Want, it is possible to enjoy both. It is very good combination right, you still desire to miss it? What kind of hangout type is it? Oh can happen its mind hangout folks. What? Still don't buy it, oh come on its referred to as reading friends.

#### **Shirley Williams:**

Are you kind of hectic person, only have 10 or 15 minute in your morning to upgrading your mind skill or thinking skill even analytical thinking? Then you are experiencing problem with the book than can satisfy your limited time to read it because pretty much everything time you only find publication that need more time to be go through. Authenticity: What Consumers Really Want can be your answer since it can be read by an individual who have those short free time problems.

#### **Anne Shivers:**

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Authenticity: What Consumers Really Want can make you sense more interested to read.
