Business Ethics: A Contemporary Approach Gael McDonald

Business Ethics introduces students to ethical issues and decision-making in a variety of contemporary contexts. It develops an awareness of the many ways in which ethical considerations can manifest in commercial domains, thereby helping prepare students for their professional careers. Business Ethics shows how theory works in practice. It includes hundreds of real-world examples that will help engage students. Examples draw on recent and emerging concerns, such as the moral implications of social media and the enforcement of codes of behaviour within industries. The book also addresses corporate social responsibility, stakeholder management and sustainability, reflecting the broad scope of business ethics today. Comprehensive online resources are available at www.cambridge.edu.au/academic/businessethics. Student resources include additional review questions and case studies, with answer guides, to help students reinforce learning and prepare for assessment tasks. Instructor resources include an extensive set of tutorial exercises, PowerPoint slides and a test bank of assessment resources.

From reader reviews:

Eleonora Plunkett:

Book is to be different per grade. Book for children until eventually adult are different content. As it is known to us that book is very important normally. The book Business Ethics: A Contemporary Approach has been making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The guide Business Ethics: A Contemporary Approach is not only giving you considerably more new information but also to become your friend when you sense bored. You can spend your personal spend time to read your e-book. Try to make relationship together with the book Business Ethics: A Contemporary Approach. You never feel lose out for everything in the event you read some books.

David Briggs:

As people who live in typically the modest era should be upgrade about what going on or information even knowledge to make these people keep up with the era which can be always change and advance. Some of you maybe can update themselves by studying books. It is a good choice for you but the problems coming to a person is you don't know what one you should start with. This Business Ethics: A Contemporary Approach is our recommendation to cause you to keep up with the world. Why, because book serves what you want and want in this era.

Jean Gaskin:

Would you one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Try to pick one book that you never know the inside because don't judge book by its cover may doesn't work is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside search likes. Maybe you answer is usually Business Ethics: A Contemporary Approach why because the excellent cover that make you consider regarding the content will not disappoint anyone. The inside or content is definitely fantastic as the outside or cover. Your reading sixth sense will directly show you to pick up this book.

Adam Carter:

Do you like reading a reserve? Confuse to looking for your favorite book? Or your book had been rare? Why so many issue for the book? But just about any people feel that they enjoy intended for reading. Some people likes reading through, not only science book and also novel and Business Ethics: A Contemporary Approach or maybe others sources were given understanding for you. After you know how the truly amazing a book, you feel wish to read more and more. Science book was created for teacher or even students especially. Those textbooks are helping them to put their knowledge. In other case, beside science reserve, any other book likes Business Ethics: A Contemporary Approach to make your spare time much more colorful. Many types of book like this one.
