## **On Cosmopolitanism and Forgiveness (Thinking in Action)** Jacques Derrida

One of the world's most famous philosophers, Jacques Derrida, explores difficult questions in this important and engaging book. Is it still possible to uphold international hospitality and justice in the face of increasing nationalism and civil strife in so many countries? Drawing on examples of treatment of minority groups in Europe, he skilfully and accessibly probes the thinking that underlies much of the practice, and rhetoric, that informs cosmopolitanism. What have duties and rights to do with hospitality? Should hospitality be grounded on a private or public ethic, or even a religious one? This fascinating book will be illuminating reading for all.
