## **The Plan** J.W. Peters

Dan Miller's life appears to be on the right track. Living the life of a successful, young stockbroker in New York City, Dan's biggest concern seems to be which color Corvette to buy. Everything is going his way, and he is unstoppable. He has a plan for his life, but God has something else in mind. The journey of Dan Miller from the year 2020 to another time, 150 years earlier, may just be a dream. Or is it? The examples of love and generosity, of giving more than receiving, become realities to Dan as he is living a materialistic life. These newfound lessons develop his core beliefs as he sees our nation on a spiraling path to inevitable failure. Through faith and trust, Dan is living 'The Plan.' His realization of the existence of a plan for his life is an example to all readers. God has set a plan in motion for each of His children. Embark on Dan's journey to self-discovery and finding Christ.
