GENRE: Children's Adventure

(An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen))

You could say that is hardly possible for a Spider to be lonely or bored – all those legs and eyes – there must be something interesting you could do with it! Well, my story is different and I just might happen to be the loneliest Spider ever to be spawned in the world of blocks. That is why I've started writing a diary, yes! It gives me a feeling that I am not that alone and maybe someone will even read it someday! Until then I am using it as to-do-list and to write about occasional interesting mobs I stumble upon. Oh, yes! I also decided to leave the place where I was spawned and take a little adventure – I am not afraid, of course! I am an eight-legged monster.

That is exactly how I ended up in the West Village, looking for Spiders' Eyes (Yuck! Gross!), so I could bring those to the Elders. Who are the elders? Oh, yes, I forgot to tell you about it, but you can read about it in my diary. I will let you take a peak!
