William Shakespeare (Writers Lives)

William Baker

William Shakespeare (Writers Lives) William Baker

This volume in the *Writers Lives* series offers a reassessment of Shakespeare and his creative output from his earliest work through his 'mature' drama and the late plays, taking into account our current knowledge of Shakespeare's biography and consensus on key textual, critical and theatrical issues.<?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />

William Baker offers a comprehensive but accessible introduction to Shakespeare's work and places it in the contexts of what is known of his life and activities. Avoiding speculation of a biographical, critical or textual nature, he focuses instead on an account of what is known of Shakespeare and his achievement at the end of the first decade of the twenty-first century.
