Fat Wallet Stephen Church

Where do you turn to get competent with money? After all, money is a basic survival skill and a topic that brings up more emotion, stress and strong feelings than any other subject. Schools rarely offer training in personal money skills while parents are poorly equipped or unsure how to prepare their children for financial success. Social taboos prevent open discussions about money and “money speak” sounds like a foreign language. Practical inspiring financial advice is hard to find and tough to afford. Fat Wallet is a quick reference for all things money. The journey is geared toward young adults and begins uncovering our unconscious beliefs and behaviors that influence our money decisions. Readers discover the steps necessary to becoming a great investor. Full of useful tips and advice from a successful businessman, the book covers all you need to know if you desire a more prosperous and fulfilling relationship with the money in your life. In addition to covering the basics of banking, saving, borrowing and investing, Fat Wallet includes an extensive lexicon where you can quickly look up terms often used in the money world. The digital universe provides many new apps and calculators to help young investors through the maze yet they aren’t always an advantage when used without context. A basic understanding of money and investing goes a long way toward successfully fattening your wallet.
