**WHO ARE THE CHINESE?**

**Through on-the-ground interviews, Ana Fuentes uncovers the real China and offers a panoramic look at Chinese culture from the point of view of its citizens. She spent nearly 4 years living and working in China and discovered a world few have written about . . . until now.**

***FROM THE DRAGON'S MOUTH: Ten True Stories that Unveil the Real China*** is an exquisitely intimate look into the China of the 21st century as seen through the eyes of its people. This is the first time that a book combines the voices of everyday Chinese people from so many different layers of society: a dissident tortured by the police; a young millionaire devoted to nationalism; a peasant-turned-prostitute to pay for the best education for her son; a woman who married her gay friend to escape from social pressure, just like an estimated 16 million other women; a venerable Kung-Fu master unable to train outdoors because of the hazardous pollution; the daughter of two Communist Party officials getting rich coaching Chinese entrepreneurs in the ways of Capitalism; among others.

ANA FUENTES is a journalist whose reports have been broadcast on three continents by Radio Netherland, Prisa Radio, CNN en español and others. Ana holds a degree in Journalism from the Complutense University in Madrid and the Sorbonne University in Paris, and a Master's in Journalism from El País and the University Autonoma in Madrid.
