GMAT, 16th Edition (Barron's GMAT) Stephen Hilbert Eugene Jaffe

This extensively updated e-Book manual offers comprehensive preparation for the Graduate Management Admission Test, beginning with an overview and introduction to the test. The GMAT is a computer-adaptive test, the details of which are described in the book's introduction. Following is a diagnostic test with answers and an extensive "Correct Your Weaknesses" section, which presents separate chapters on essay writing, reading comprehension, sentence correction, critical reasoning, and math. Three full-length practice tests are presented with answers, analyses, and directions to help test takers evaluate their score. Also included in this e-Book are hundreds of hyperlinks that will help you navigate through the book's content, bring you to helpful Internet resources, and allow you to click between questions and answer explanations.
