Martha the talking dog is excited to visit a farm for the first time. A long car ride, fresh air . . . she'll even get to help with farm chores! But her visit gets off on the wrong paw with a pre-dawn wake-up call and only goes downhill from there. How was Martha supposed to know the sheep and chickens weren't allowed in the house? Martha might not be cut out to be a farm dog, but when an intruder arrives, she's just the dog to raise the alarm!

This level 2 bilingual early reader based on the PBS TV show *Martha Speaks* features Spanish and English text set in two colors for easy readability, plus fun word activities.
