Women's Slave Narratives Annie L. Burton

The moving testimonies of five African-American women comprise this unflinching account of slavery in the pre-Civil War American South. Covering a wide range of narrative styles, the voices provide authentic recollections of hardship, frustration, and hope—from Mary Prince's groundbreaking account of a lone woman's tribulations and courage, the spiritual awakening of "Old Elizabeth," and Mattie Jackson's record of personal achievements, to the memoirs of Kate Drumgoold and Annie L. Burton.

A compelling, authentic portrayal of women held as slaves in the antebellum South, these remarkable stories of courage and perseverance will be required reading for students of literature, history, and African-American studies.
