The Last Days of California: A Novel Mary Miller

“[A] terrific first novel. . . . Why worry about labeling a book this good? Just read it.”—Laurie Muchnick, *New York Times Book Review*

Jess is fifteen years old and waiting for the world to end. Her evangelical father has packed up the family to drive west to California, hoping to save as many souls as possible before the Second Coming. With her long-suffering mother and rebellious (and secretly pregnant) sister, Jess hands out tracts to nonbelievers at every rest stop, Waffle House, and gas station along the way. As Jess’s belief frays, her teenage myopia evolves into awareness about her fracturing family. Selected as a Barnes & Noble Discover pick and an Indie Next pick, Mary Miller’s radiant debut novel reinvigorates the literary road-trip story with wry vulnerability and savage charm.
