**In the Silver Creek romance *Unexpected*, Cole Mitchell found love in the last place he ever thought to look. Now, in *USA Today* bestselling author Maisey Yates' newest novel, Cole's little sister Lark is determined to have her turn...**

Having never left the family ranch, Lark Mitchell needs a little adventure—or at least a romance that isn't confined to the internet. Her older brothers Cole and Cade have always been too good at protecting her innocence, but even they can't stop her from taking a second job—where her boss just so happens to be the kind of bad boy she craves. Too bad he's also the one guy in Silver Creek she should never touch...

When Quinn Parker introduces himself, Lark tries to quit on the spot. Everyone knows Quinn was behind the accident that ended Cade's rodeo career. But when he holds her to her contract, she can't help wanting to get even closer. As she begins to see the man behind the gossip, she sees that not all of the things people say about him are true...even if there's plenty about this bad boy she has yet to discover.
