NIGHT RIDERS

The New Mexico Territory is bleeding in the throes of the Amarillo War, named for the vast estate known as the Amarillo Grant. The estate manager, Lord Ransom, is engaged to the owner's daughter and he's determined to see that pay off. His segundo leads a group of night riders known as the Whitecaps, who use violence and mayhem to brutally clear the grant of "squatters," homesteaders and ranchers just trying to make lives for themselves. Cleve Bandelier, former cavalry officer and widowed father of two, leads the group of ranchers that the Whitecaps are forcing off the land. But Cleve will need all the strength and courage he can muster if he hopes to stand up for long against the corruption, brute force...and murder.
